

## *Supplementary Material*

**Table 7. Funding sources in ocean literacy publications between 2017-2021.**

No	The name of the article	Funding Source
1	Questions as indicators of ocean literacy: students' online asynchronous discussion with a marine scientist	National - international sourced project
2	Bibliometric analysis of ocean literacy: An underrated term in the scientific literature	National - international sourced project
3	"Generation Nemo": motivations, satisfaction and career goals of marine biology students	EU Project (Horizon 2020)
4	Predictors of coastal stakeholders' knowledge about seawater desalination impacts on marine ecosystems	National - international sourced project
5	A Change of Mind: Applying Social and Behavioral Research Methods to the Assessment of the Effectiveness of Ocean Literacy Initiatives	EU Project (Horizon 2020)
6	The Global Integrated World Ocean Assessment: Linking Observations to Science and Policy Across Multiple Scales	National - international sourced project
7	The Marine CoLAB: Taking a CoLABorative, Values Based Approach to Connect People to the Ocean	National - international sourced project
8	Social license through citizen science: a tool for marine conservation	EU Project (Horizon 2020)
9	Collective intelligence for advancing ocean literacy	EU Project (Horizon 2020)

<b>10</b>	Stepping Out of the Ivory Tower for Ocean Literacy	National - international sourced project
<b>11</b>	A System Dynamics Approach to Increasing Ocean Literacy	EU Project (Horizon 2020)
<b>12</b>	Ocean Literacy to Mainstream Ecosystem Services Concept in Formal and Informal Education: The Example of Coastal Ecosystems of Southern Portugal	National - international sourced project
<b>13</b>	The effects of stakeholder education and capacity building in marine protected areas: A case study from southern Mozambique	EU Project (Horizon 2020)
<b>14</b>	Ocean Literacy and Knowledge Transfer Synergies in Support of a Sustainable Blue Economy	EU Project (Erasmus +)
<b>15</b>	Building a New Ocean Literacy Approach Based on a Simulated Dive in a Submarine: A Multisensory Workshop to Bring the Deep Sea Closer to People	National - international sourced project
<b>16</b>	An Assessment of Factors Related to Ocean Literacy Based on Gender-Invariance Measurement	National - international sourced project
<b>17</b>	Multilevel Effects of Student and School Factors on Senior High School Students' Ocean Literacy	National - international sourced project
<b>18</b>	A Roadmap for Using the UN Decade of Ocean Science for Sustainable Development in Support of Science, Policy, and Action	National - international sourced project
<b>19</b>	A game-based education approach for sustainable ocean development	National - international sourced project
<b>20</b>	Anchoring ocean literacy: participatory iBook design within secondary science classrooms	EU Project (Horizon 2020)

<b>21</b>	Cultural Ecosystem Services Provided by Coralligenous Assemblages and Posidonia oceanica in the Italian Seas	National - international sourced project
<b>22</b>	Cultivating relational values and sustaining socio-ecological production landscapes through ocean literacy: a study on Satoumi	National - international sourced project
<b>23</b>	Mainstreaming Sustainable Consumption of Seafood Through Enhanced Mandatory Food Labeling	National - international sourced project
<b>24</b>	The Beginning of Marine Sustainability: Preliminary Results of Measuring Students' Marine Knowledge and Ocean Literacy	National - international sourced project
<b>25</b>	The Deep Sea and Me: Using a Science Center Exhibit to Promote Lasting Public Literacy and Elucidate Public Perception of the Deep Sea	National - international sourced project
<b>26</b>	Connecting to the oceans: supporting ocean literacy and public engagement	National - international sourced project
<b>27</b>	Mapping Global Research on Ocean Literacy: Implications for Science, Policy, and the Blue Economy	EU Project (Erasmus +)
<b>28</b>	Participatory Monitoring-A Citizen Science Approach for Coastal Environments	National - international sourced project
<b>29</b>	Ocean Literacy and Surfing: Understanding How Interactions in Coastal Ecosystems Inform Blue Space User's Awareness of the Ocean	National - international sourced project
<b>30</b>	Sustainable Biocultural Heritage Management and Communication: The Case of Digital Narrative for UNESCO Marine World Heritage of Outstanding Universal Value	EU Project (Horizon 2020)

<b>31</b>	Abundance of Environmental Data vs. Low Public Interest in Climate and Ocean Issues. Where Is the Missing Link?	National - international sourced project
<b>32</b>	Promoting Ocean Literacy in Elementary School Students Through Investigation Activities and Citizen Science	EU Project (Horizon 2020), National - international sourced project
<b>33</b>	Tell a Story to Save a River Assessing the Impact of Using a Children's Book in the Classroom as : a Tool to Promote Environmental Awareness	National - international sourced project
<b>34</b>	Perception of Citizens Regarding Marine Litter Impacts: Collaborative Methodologies in Island Fishing Communities of Cape Verde	National - international sourced project
<b>35</b>	The Concept of Ocean Sustainability in Formal Education-Comparative Ocean Literacy Coverage Analysis of the Educational Standards of India and the USA	National - international sourced project
<b>36</b>	University Experiences of Marine Science Research and Outreach Beyond the Classroom	National - international sourced project
<b>37</b>	Marine and coastal ecosystem services on the science-policy-practice nexus: Challenges and opportunities from 11 European case studies	EU Project (Horizon 2020)
<b>38</b>	A Game for Learning Ocean Literacy: The ResponSEAbLe Project	EU Project (Horizon 2020)
<b>39</b>	An environmental education and communication project on migratory fishes and fishing communities	National - international sourced project
<b>40</b>	Inland adult and child interest in the ocean	National - international sourced project
<b>41</b>	Making ocean literacy inclusive and accessible	National - international sourced project

<b>42</b>	Ocean literacy to promote sustainable development goals and agenda 2030 in coastal communities	National - international sourced project
<b>43</b>	Reading over and under the waves: A study of ocean picture books for children	National - international sourced project
<b>44</b>	Integrated Research for Integrated Ocean Management	National - international sourced project
