

Median plane

FL: Frontal Lobe ; PL: Parietal lobe ; OL: Occipital lobe ; IA: interthalamic adhesion; III: third ventricle ; IV: fourth ventricle; Lat V: lateral ventricle

Dorsale planes

Cerebral white matter

Longitudinal fissure

Cerebral cortex

Cerebral white matter

Cerebral cortex

lateral ventricle

Hippocampus

Longitudinal fissure

Corpus callosum (genus)

Cerebellum

Transversal planes (from caudal to rostral)

Longitudinal fissure

Mesencephalic aqueduct

Lateral ventricle

Longitudinal fissure

**Cerebral white
matter (frontal lobe)**

**Cerebral cortex
(frontal lobe)**
