

Rabies: Prevalence & KAPs Project at Wild-life Animal Human Interface (KAPs-WAH)

Questionnaire Identification

A1 Questionnaire ID:

A1.1 Name of enumerator

Put your initials say for TM: meaning Taremwa Martha

A2 District name

- ☐ Nwoya
- ☐ Kamwengye
- ☐ Bukedea
- ☐ Other

A3 Sub-county name:

- ☐ Anaka
- ☐ Purongo
- ☐ Lii
- ☐ Got Apwoyo
- ☐ Koch Goma
- ☐ Alero
- ☐ Lungulu
- ☐ Kochgoma TC

A4.1 Parish name_anaka

- ☐ Todora
- ☐ Pabali
- ☐ Ywaya
- ☐ Pangora
- ☐ Other

A4.2 Parish name_purongo

- ☐ Pawatomero
- ☐ Pabit
- ☐ Patira
- ☐ Paromo
- ☐ Other

A4.3 Parish name_Lii

- ☐ Orum
- ☐ Lutuk
- ☐ Langele
- ☐ Lii
- ☐ Other

A4.4 Parish name_Got Apwoyo

- ☐ Barlyec
- ☐ Tegot
- ☐ Paminolango
- ☐ Obira
- ☐ Other

A4.5 Parish name_Koch Goma

- ☐ Kal
- ☐ Agonga
- ☐ Coorom
- ☐ Amar
- ☐ Other

A4.6 Parish name_Alero

- ☐ Bwobonam
- ☐ Okura
- ☐ Kal
- ☐ Panyabono
- ☐ Other

A4.7 Parish name_Lungulu

- ☐ Panokrac
- ☐ Barjere
- ☐ Labngech
- ☐ Lulunwen
- ☐ Nomukino
- ☐ other

A4.8 Parish name_Koch Goma TC

- ☐ Panokrac
- ☐ Barjere
- ☐ Labngech
- ☐ Lulunwen
- ☐ Nomukino
- ☐ other

A5 Village Name:

A6 location of the village-Ecological

- ☐ near anational park
- ☐ away from a national park
- ☐ with in the national park

A7 Location of village

- ☐ Rural
- ☐ Urban
- ☐ Semi-rural
- ☐ Semi-urban

A7a Are you house hold head?

- ☐ yes
- ☐ no

A7bOther than HHH, who are you

- ☐ Son
- ☐ Daughter
- ☐ Wife
- ☐ Brother
- ☐ Sister
- ☐ Other

A8Name of House Hold head (HHH)

A9Cell phone contact of house hold head

Socio-demographic characteristics of study participants**s1age in completed years**

s2Sex

- ☐ Male
- ☐ Female

s3Level of education

- ☐ none
- ☐ primary
- ☐ secondary
- ☐ tertiary but university
- ☐ university

s4religion

- ☐ anglican
- ☐ catholic
- ☐ muslim
- ☐ SDA
- ☐ born again
- ☐ other

s5other religion

s6tribe

- ☐ Itesot
- ☐ Acholi
- ☐ Lango
- ☐ mutooro
- ☐ K`ajong
- ☐ mukiga
- ☐ munyankole
- ☐ muhima
- ☐ other

s7other tribe

s7Marital status

- ☐ Married
- ☐ Divorced
- ☐ Widowed
- ☐ Single
- ☐ Other

s8Other marital status

s8.1if other marital status, specify

s9Smoke

- ☐ no
- ☐ yes

s10How many cigars per day

s11Alcohol consumption

- ☐ no
- ☐ yes

s12Which type of alcohol

- ☐ Waragi
- ☐ Beer
- ☐ Toonto
- ☐ ajono
- ☐ other

s14Amount of alcohol you consume daily in litres

» Group**» » Risk factors for Rabies at Wild life -Animal- Human interface****R1Who fetches fire wood**

- ☐ Husband
- ☐ Wife
- ☐ Children
- ☐ Other

R2Do you obtain firewood from Game reserve/National park

- ☐ Yes
- ☐ No

R3Distance from firewood source in kms

R4Who fetches water?

- ☐ husband/father
- ☐ mother
- ☐ children
- ☐ other

R5Do you obtain water from Game reserve /national park?

- ☐ Yes
- ☐ No

R6Distance from water source kms?

R7Are there stray dogs that frequent this household/homestead

- ☐ yes
- ☐ no

R8Are the stray dogs vaccinated ?

- ☐ yes
- ☐ no
- ☐ I don't know

R9Do you own dogs in this household

- ☐ yes
- ☐ no

R10If yes, how many dogs

R10.1 Where do you often get your dogs

- ☐ Get them for free from friend/neighbor/family
- ☐ buy from neighbour
- ☐ buy from another sub-country
- ☐ buy from another district
- ☐ I pick them from the bush/wild
- ☐ I pick homeless dogs
- ☐ buy from another country
- ☐ inherited from parents
- ☐ any other source

R11if other source, specify

R12Are your dogs vaccinated against rabies

- ☐ yes
- ☐ no
- ☐ i don't know

R13how long time ago (months) did they receive the last shot of rabies

R14Are your dogs used for hunting

- ☐ Yes
- ☐ No

R15How many times do you hunt per month

R16Do you hunt from game reserve/national park

- ☐ yes
- ☐ no
- ☐ other hunting place

R17if other hunting place, which one

R18Which animals do you have

- ☐ cattle
- ☐ sheep
- ☐ goats
- ☐ pigs
- ☐ monkeys
- ☐ other

R19if you have other animals, what are they

R20Are there straying wild animals in this community

- ☐ yes
- ☐ no

R21If yes for straying animals, what are they

- ☐ leopards
- ☐ lion
- ☐ cheetah
- ☐ foxes
- ☐ elephants
- ☐ monkeys
- ☐ other

R21if other, which one

R20Do you graze animals in the game reserve/national park?

- ☐ yes
- ☐ no

R22Do you own wild animals

- ☐ yes
- ☐ no

R23Which wild animals do you own

- ☐ foxes
- ☐ monkeys
- ☐ other

R24if own other wild animals, which ones

R25Are these wild animals vaccinated

- ☐ No
- ☐ Yes
- ☐ i dont know

R26Which wild animals normally interact with your dogs/or come in your community

- ☐ jackals
- ☐ bats
- ☐ wild cats
- ☐ monkeys
- ☐ foxes
- ☐ other

R27if other wild animals, specify

Prevalence factors: Biological determinants**P1Have you had a confirmed dog rabies case in this household**

- ☐ yes
- ☐ no

P2How was the case confirmed

- ☐ laboratory
- ☐ head of community
- ☐ veterinary officer
- ☐ medical doctor
- ☐ herbalist
- ☐ other

P3How long ago did you get the dog case in months

P4Have you had a confirmed human case in this household

- ☐ yes
- ☐ no

P4 If yes, what was the sex of the victim

- ☐ Female
- ☐ Male

P5 What was the age of the victim

P6 How was the human case confirmed

- ☐ laboratory
- ☐ head of community
- ☐ veterinary officer
- ☐ medical doctor
- ☐ herbalist
- ☐ other

P7Was there any human death due to rabies in this household

- ☐ yes
- ☐ no

P8How long ago did you confirm human deaths in months

P9Have you had a confirmed livestock case in this household

- ☐ yes
- ☐ no

P10How was the case confirmed

- ☐ laboratory
- ☐ head of community
- ☐ veterinary officer
- ☐ medical doctor
- ☐ herbalist
- ☐ other

P11How long ago did you confirm live stock case in months

P12Which domestic animals did you confirm in this household/village

- ☐ cattle
- ☐ sheep
- ☐ goat
- ☐ other

p13.1If other domestic animals, specify

P14Have you had confirmed a wild animal rabies case in this community

- ☐ yes
- ☐ no

P15How was the case confirmed

- ☐ laboratory
- ☐ head of community
- ☐ veterinary officer
- ☐ medical doctor
- ☐ herbalist
- ☐ other

P16 Which wild animals did you confirm in this household/village

- ☐ foxes
- ☐ monkeys
- ☐ bats
- ☐ wild dogs
- ☐ jackals
- ☐ other

P17 other , specify

P18 Have you had any confirmed human case due to rabies in this community

- ☐ yes
- ☐ no

P19 Have you had any confirmed human death due to rabies in this community

- ☐ Yes
- ☐ No

P20 Have you had any confirmed dog case due to rabies in this community

- ☐ yes
- ☐ no

P21 Have you had any confirmed dog death due to rabies in this community

- ☐ Yes
- ☐ No

P22 Have you found foxes or wild dogs or skunks or raccoons dead in this community

- ☐ yes
- ☐ no

P23 if yes to dead foxes/wild dogs, how long time ago in months

Knowledge about Rabies Prevention and Control**k1 Have you heard about of a disease called rabies ?**

- ☐ yes
- ☐ no
- ☐ never

k2 What are the main reservoirs of rabies?

- ☐ dogs
- ☐ foxes
- ☐ cats
- ☐ racoons
- ☐ I dont know

k3 What is the commonest reservoir of rabies in your area?

- ☐ dogs
- ☐ foxes
- ☐ cats
- ☐ racoons
- ☐ I dont know

k4 The most species affected by rabies are?

- ☐ dogs
- ☐ man
- ☐ foxes
- ☐ livestock
- ☐ I dont know

k5 The common mode of rabies transmission is rabid dog, cat, or fox biting a human being

- ☐ no
- ☐ yes
- ☐ I dont know

k6 What is the most prone category of people to rabies

- ☐ children 1-15yrs
- ☐ women
- ☐ men
- ☐ I don't know

k7 Incubation period of rabies in animals is

- ☐ less than 3weeks
- ☐ 3weeks-12weeks
- ☐ beyond 12weeks but upto a year
- ☐ I dont know

» Signs and symptoms in animals**» » Furious form****ss1**The rabid dog becomes aggressive and excitable

- ☐ no
- ☐ yes
- ☐ I dont know

» » Dumb form**ss2**The rabid dog becomes paralytic

- ☐ no
- ☐ yes
- ☐ I dont know

ss3 There is difficult in swallowing i.e like it has swallowed a bone

- ☐ no
- ☐ yes
- ☐ I dont know

ss4what is the most common period of communicability in dogs/cats

- ☐ 3-5 days
- ☐ 14 days
- ☐ 21-90 days
- ☐ I don't know

ss5 What is the typical incubation period in humans

- ☐ 2-10 days
- ☐ 2-3 months
- ☐ 1 week - 1 year
- ☐ I don't know

» Signs and symptoms in humans**» » Early signs****ssh1** Symptoms of flue

- ☐ no
- ☐ yes
- ☐ I dont know

» » Mid-term signs (cerebral disfunction)**ssh2 Confusion, agitation, anxiety**

- ☐ no
- ☐ yes
- ☐ I dont know

» » Adadvanced stage signs**ssh3 Anormal behaviour like: Delirium, hallucinations, hydrophobia, insomnia**

- ☐ no
- ☐ yes
- ☐ I dont know

» Primary preventive measures**» » For dogs(pd)****pd1 visiting veterinary doctor regulary**

- ☐ no
- ☐ yes
- ☐ I dont know

pd2 Vaccinate dogs annually

- ☐ no
- ☐ yes
- ☐ I dont know

pd3 control straying dogs

- ☐ no
- ☐ yes
- ☐ I dont know

pd4 Stop allowing dogs to go to national park

- ☐ no
- ☐ yes
- ☐ I dont know

pd5 stop grazing in national parks

- ☐ no
- ☐ yes
- ☐ I dont know

» » For people (pp)**pp1Don` t get in contact with wild life**

- ☐ no
- ☐ yes
- ☐ I dont know

pp2Dont get in contact with bats

- ☐ no
- ☐ yes
- ☐ I dont know

» Secondary prevention (post exposure)**» » For dogs: (sp)****sp1wash animal wound with water and soap**

- ☐ no
- ☐ yes
- ☐ I dont know

» » For people:**sp2PEP with Human Rabies Immune Globulin(HRIG) at 0 day of exposure**

- ☐ no
- ☐ yes
- ☐ I dont know

sp3Pre-exposure vaccination for at risk people

- ☐ no
- ☐ yes
- ☐ I dont know

sp4Gentle wash/irrigation of wound in water

- ☐ no
- ☐ yes
- ☐ I dont know

sp5Wash wound with diluted povidone-iodine

- ☐ no
- ☐ yes
- ☐ I dont know

C Attitude about Rabies Prevention and Control

c1Think that rabies is caused by wild life livestock human interaction

- ☐ agree
- ☐ not sure
- ☐ disagree

c2believe that rabies is a huge burden in uganda

- ☐ agree
- ☐ not sure
- ☐ disagree

c3think that rabies affects warm blooded animals

- ☐ agree
- ☐ not sure
- ☐ disagree

c4Believe that rabies affects wild animals and human beings

- ☐ agree
- ☐ not sure
- ☐ disagree

c5think that hunting dogs are more likely to transmit rabies

- ☐ agree
- ☐ not sure
- ☐ disagree

c6Believe that bats transmit rabies

- ☐ agree
- ☐ not sure
- ☐ disagree

c7think that rabies can be transmitted through aerosols

- ☐ agree
- ☐ not sure
- ☐ disagree

c8Think that a person bitten by a rabid dog should seek treatment from a health facility/veterinary facility

- ☐ agree
- ☐ not sure
- ☐ disagree

c9Believe that communities are willing to vaccinate their pets/dogs

- ☐ agree
- ☐ not sure
- ☐ disagree

c10do you think vaccination of dogs/pets greatly contributes to rabies control in your district

- ☐ agree
- ☐ not sure
- ☐ disagree

c11Believe that community sensitization has not been sufficiently done in our community

- ☐ agree
- ☐ not sure
- ☐ disagree

c12Believe that health centres should work closely with veterinary office to curb down rabies

- ☐ agree
- ☐ not sure
- ☐ disagree

P Practices on the risk of Rabies transmission**P1 How often do you graze your animals in game reserves or national park**

- ☐ always
- ☐ 3 times a week
- ☐ less than 3 times a week
- ☐ never

P2 How often do you graze your animals with dogs

- ☐ Always
- ☐ 3 times a week
- ☐ less than 3 times a week
- ☐ Never

» Grazing system used**p3The grazing system used in this community/household**

- ☐ free range
- ☐ tethering
- ☐ paddock
- ☐ strip
- ☐ other

p4if other grazing system, specify

p5 Do your animals graze on their own

- ☐ Always
- ☐ 3 times a week
- ☐ less than 3 times a week
- ☐ never

p6How often do you vaccinate your dogs

- ☐ 3 months
- ☐ Annually
- ☐ Never

P7 How are your dogs kept

- ☐ Chained
- ☐ Caged
- ☐ Free roaming

P8How often do your dogs hunt in the game reserve or national park

- ☐ Always
- ☐ 3 times a week
- ☐ less than 3times a week
- ☐ never

P9How often do you see poachers in this game reserve

- ☐ Always
- ☐ 3 times aweek
- ☐ less than 3times a week
- ☐ never

P10 Are there any wild life attacks in your community

- ☐ Yes
- ☐ No

P11 If yes, what wild lives attack in the community

- ☐ Foxes
- ☐ Wild dogs
- ☐ wild cats
- ☐ Cheeter
- ☐ lions
- ☐ other

P12 If other specify

P13 How often do you vaccinate children against rabies in this community

- ☐ Annualy
- ☐ 3 times a year
- ☐ never

P14 How often do you fetch water in the game reserve or national park

- ☐ Always
- ☐ 3 times a week
- ☐ less than 3 times a week
- ☐ never

P15 How often do you fetch firewood in the game reserve or national park

- ☐ Always
- ☐ 3 times a week
- ☐ less than 3 times a week
- ☐ never
