## **Appendix II: The detailed description of videos**

### **Negative mood (sad)**

#### **《Roots and Branches》**

**Duration:** 2 ` 26``

**Video Overview:** Qi Miao, the youngest sister among the four siblings, was given as a daughter to an elderly couple

**Start shot:** An elderly couple staring at the little girl

**End shot:** From bottom to top, we see the crying faces of four siblings

#### **《Warm Spring》**

**Duration:** 1 ` 41``

**Video Overview:** Grandpa Asks Little Flower about the Situation at Home

**Start shot:** Grandpa asks the girl, "What's your name?"

**End shot:** Xiaohua finished saying "Grandpa, please", while Grandpa said "Don't cry" and helped Xiaohua wipe her tears

### **Positive mood (happy)**

#### **《Eat Hot Tofu Slowly》**

**Duration:** 1 ` 49``

**Video Overview:** Liu Xiaohao slept in class, and the teacher asked him to sing, which made the whole class burst into laughter

**Start shot:** In the classroom, the teacher is playing the piano

**End shot:** After Yao Yanan finished singing three words, the whole class burst into laughter.

#### **《A Big Potato》**

**Duration:** 2 ` 22``

**Video Overview:** Da Lao Hei and cadre Wang are arguing at the dinner table

**Start shot:** Two girls serve dishes on the table, and the men shout, "Hurry up, serve the table."

**End shot:** Da Lao Hei takes another bite of food, and Officer Wang looks at him with a slanted eye

### **Neutral mood (at peace)**

### 《Repair Computer》

**Duration:** 2 ` 02``

**Video Overview:** Finding the Cause of Touch Screen Damage

**Start shot:** The master flipped over the laptop

**End shot:** Master takes away the touchpad and prepares to connect the wires

### 《IDE Interface Repair》

**Duration:** 1 ` 11``

**Video Overview:** Teaching methods for repairing IDE interfaces

**Starting shot:** The teacher said, "So what is its specific method?"

**End shot:** The teacher said, "So, this problem can be solved."

### Appendix III. Stimuli used in the experiment

Target picture names			phonologically related distractor word				
Chinese	English	Pinyin	Chinese	English	Pinyin	Stroke	Frequency
叉子	fork	cha1zi5	岔路	turning	cha4lu4	20	434
