

Procedure Smart Watch Survey

Thank you for recently participating in our study regarding smart watches and endoscopic procedures.

We would like to ask you a few questions regarding smart watches like the Apple Watch. Please complete the survey below.

Procedure Experience		0	1	2	3	4	5	6	7	8	9	10
1)	What was your level of awareness during your procedure? (if 0 is not aware at all and 10 is fully aware)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
2)	What was your level of discomfort or pain during your procedure? (if 0 is none at all, and 10 is the worst possible)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
		Strongly disagree		Disagree		Neither agree or disagree		Agree		Strongly Agree		
3)	The smart watch was easy to wear	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		
4)	The smart watch was comfortable to wear	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		
5)	The smart watch did not interfere with my procedure	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		
6)	If given the opportunity, I would wear a smart watch for monitoring during future procedures	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		
7)	How satisfied were you with wearing the watch during your procedure											
		<input type="radio"/> Very dissatisfied	<input type="radio"/> Dissatisfied	<input type="radio"/> Neither satisfied or dissatisfied	<input type="radio"/> Satisfied	<input type="radio"/> Very satisfied						
		Strongly disagree		Disagree		Neither agree or disagree		Agree		Strongly agree		
8)	Most people have wearable smart devices (like a watch)	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		
9)	Smart watches are useful for general wellness	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		
10)	Smart watches can accurately measure things like heart rate and oxygen levels	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		
11)	Patients should have the option to wear smart devices like a watch during their procedures	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		<input type="radio"/>		
12)	Do you personally use a smart watch? (eg. Apple Watch or Fitbit)?					<input type="radio"/> Yes	<input type="radio"/> No					

If yes, how important are the following features?					
	1 - Not important at all	2	3	4	5 - Very important
13) Activity measurement (steps, standing/sitting, sleep)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
14) Health monitoring (heart rate, oxygen, heart rhythm)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
15) Communication (calls, texts)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Wearable Tech Provider Survey

Thank you for playing a role in the Wearable Technology project. Your response to this very brief, 8 question survey would be greatly appreciated.

- 1) Department
- ☐ Gastroenterology
- ☐ Anesthesia

Provider Perspectives on Consumer-Facing Wearable Technology

	Strongly disagree	Disagree	Neither agree or disagree	Agree	Strongly agree
2) Most of my patients have a smart watch	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
3) Patients should have the option to wear smart devices like a watch during their procedures	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
4) I would feel comfortable with a patient wearing a smart watch during a procedure	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
5) I am aware of Mayo Clinic policies regarding smart devices in procedural areas	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
6) Mayo Clinic should have a policy regarding the use of wearable smart devices in procedural areas	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
7) Smart watches can accurately measure vital signs like heart rate and oxygen levels	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
8) Smart watches can be used to monitor a patient during a procedure	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
9) Smart watch data would be permissible evidence in a court room (for example, a malpractice case)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
