

W2: Climate Change

Course: *Think Like A Scientist*

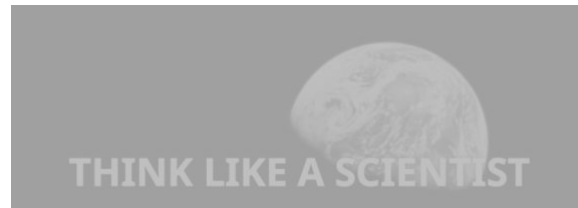

Instructor: *Phil*

As we finish this second week, it would be amazing if we could get some feedback from you:

Can you write down or draw any thing you remember from what we talked about regarding climate change?

What were the emotions that you felt during this class?

Why have you signed up for this course?

Do you have any expectations for the course?

What is the best way for you to learn new things?

What is science to you?

Would you rather explore the deep sea or deep space? Why?

Any other thoughts you would like to share, before we begin?

Which classes and activities have you enjoyed the most so far? Why?

What still doesn't make sense?

What would you like to see more of? (For example: discussions, activities, homework?)

Is there anything you don't like? (For example: class layout, topics, activities, environment?)

Anything else you would like to share?

W5: Art

Course: *Think Like A Scientist*

Instructor: *Phil*

As we finish this fifth week, it would be amazing if we could get some feedback from you:

Does the artwork help you remember course content on sleep? Please tick:

Yes ☐ No ☐ A little bit ☐

What do you remember from the sleep class based on the images?

Do you like the art?

What do you think of Artificial intelligence art? How does it make you feel?

W5: AI/Robots

Course: *Think Like A Scientist*

Instructor: *Phil*

More feedback if that is OK! Our standard sheet on what we've learned this week!

Can you write down or draw any thing you remember from what we talked about regarding Artificial Intelligence and Robotics?

What were the emotions that you felt during this class?
