

**Supplementary Table 2. Homozygous genotypes of 9 INDEL markers to determine accession HM014**

| # Marker Number | Homozygous Genotype |
|-----------------|---------------------|
| 1007            | 1/1                 |
| 623             | 1/1                 |
| 90              | 0/0                 |
| 897             | 0/0                 |
| 798             | 1/1                 |
| 913             | 0/0                 |
| 727             | 1/1                 |
| 422             | 1/1                 |
| 284             | 0/0                 |
