

	2013	2014	2015	2016	2017	2018	2019	2020	2021	N/A	Grand Total
Bioinformatics general - Introductory	29	36		379	602	705	723	990			3464
Introductory Bioinformatics	29	36		379	602	705	723	990			3464
Introduction to Bioinformatics using the eBioKit platform Kenya 2013	25										25
Introduction to Bioinformatics using the eBioKit platform Tanzania 2013	4										4
NMIMR Introductory Bioinformatics workshop 2014		36									36
Introduction to Bioinformatics 2016				379							379
Introduction to Bioinformatics 2017					602						602
Introduction to Bioinformatics 2018						705					705
Introduction to Bioinformatics 2019							723				723
Introduction to Bioinformatics 2020								990			990
Bioinformatics general - Intermediate	63										63
Intermediate Bioinformatics	63										63
H3ABioNet Postgraduate Bioinformatics Workshop 2014		25									25
NMIMR H3ABioNet Intermediate Bioinformatics Workshop 2014		38									38
Bioinformatics general - Advanced	31										31
Advanced Bioinformatics	31										31
NMIMR Advanced Bioinformatics workshop 2014		31									31
Career Development	42	21	36		85				138	20	342
Education	20	21	36								77
H3ABioNet Train-the-Trainer Bioinformatics Course	20										20
H3ABioNet University of Botswana Bioinformatics Curriculum Development Workshop 2014		21									21
GOBLET Bioinformatics Training Best Practices Workshop			36								36
Professional development					85				138	20	243
H3ABioNet Career Development Workshop - 'Communicating Science' 2017					47						47
H3ABioNet Post Doc/Early Career Scientist Development Workshop 2017					38						38
Science Communication Workshop 2021									138		138
H3ABioNet Internship awards										17	17
H3ABioNet/HSPH internships										3	3
Research skills	22										22
H3ABioNet Grants Management Course	22										22
Specialized - Introductory	17	33	30	72	5		296	112	41		606
Data Management		33		25			29				87
H3ABioNet Data Management Workshop		33									33
H3ABioNet Data Support Workshop 2016				25							25
BioSchemas Workshop 2019							29				29
Genomics	17		26	27			267		41		378
H3ABioNet NABDA Node Training Course on Visual Analytics of Human Genome Variation Datas	17										17
Practical Course on Gene/Protein Functional Networks and Interactomes			26								26
Ensembl Genome Browser Workshop 2016				27							27
Ensembl Genome Browser Workshop 2019							27				27
African Genomic Medicine Training 2019							240				240
Ensembl Genome Browser Workshop 2021 (Online)									41		41
GWAS					5						5
Introduction to Genome Wide Association Studies					5						5
NGS			4	20							24
Introduction to Next Generation Sequencing			4								4
Introduction to NGS Analyses 2016 - Sudan (Node specific)				20							20
Technical/Software								112			112
Introduction to Git and GitHub Online Training								50			50
Introduction to Nextflow								62			62
Specialized - Intermediate	58	60	58	5	18	244	213				656
GWAS			60	30		18					108
Covenant University GWAS workshop for complex diseases 2015			19								19
Genetic Association Course With Application to Sequence and Genotype Data			3								3
Introduction to Biostatistics for Genome Wide Association testing			18								18
Medical population genetics and GWAS for complex diseases			20								20
Genome Wide Association Studies - Quality Control and Family based analysis				30							30
GWAS Africa Chip Workshop 2018						18					18
Metagenomics		42			5		244	213			504
Computational Metagenomics Workshop University of Mauritius 2014		19									19
H3ABioNet NABDA Metagenomics Data Analytics Workshop		23									23
Analysing the Microbiome workshop 2017					5						5
16SrRNA Microbiome IntBT 2019							244				244
16SrRNA Microbiome IntBT 2020								213			213
NGS		16		28							44
NGS Galaxy Workshop Morocco 2014 (H3ABioNet AGM specific)		16									16
Bioinformatics analysis and annotation of variants in NGS data 2016				23							23
INDA Hands-on NGS-Statistics course October				5							5
Specialized - Sys Admin	20		24								44
SysAdmin	20		24								44
H3ABioNet Technical Training Course	20										20
H3ABioNet Advanced Systems Administration Workshop			24								24
Grand Total	108	242	150	509	697	723	1263	1315	179	20	5206
