Limoges, le 21st January 2022

Objet : In1866 integron certificate

To whom it may concern,

I, undersigned Thomas Jové, as a curator of the INTEGRALL database (<http://integrall.bio.ua.pt/>), hereby certify In1866 to be a class 1 integron with the *dfrA12/gcuF/aadA2/cmlA1aflaadA1a/qacF* structure. It has first been assigned to Pr Daofeng Qu (Zhejiang Gongshang University) whose group submitted the sequence in 2021.

Sincerely yours,

Thomas Jové, INTEGRALL curator
