A corrigendum on

Distinct characteristics and prognosis of IgA nephropathy patients with nephrotic syndrome: a propensity score-matched cohort study

by Jiang, Y., Chen, P., Zhao, W., Liu, L., Shi, S., Lv, J., and Zhang, H. (2024). Front. Med. 11:1344219. doi: 10.3389/fmed.2024.1344219

In the published article, there was an error in the **Abstract** section. This sentence previously stated:

"We conducted a retrospective analysis of 170 IgAN patients, classifying them into NS (n = 85) and non-NS (n = 5) groups."

The corrected sentence appears below:

"We conducted a retrospective analysis of 170 IgAN patients, classifying them into NS (n = 85) and non-NS (n = 85) groups."

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
