A commentary on

Nanocrystalline diamond surfaces for adhesion and growth of primary neurons, conflicting results and rational explanation

by Ojovan, S. M., McDonald, M., Rabieh, N., Shmuel, N., Erez, H., Nesladek, M., and Spira, M. E. (2014). Front. Neuroeng. 7:17. doi: 10.3389/fneng.2014.00017

The article “Nanocrystalline diamond surfaces for adhesion and growth of primary neurons, conflicting results and rational explanation,” published 11 June

2014, with myself as the second author has a misspelling of my name. It came to my attention through a friend that my name is spelled incorrectly, which I did not notice during the review process.

On the paper, currently my name is spelled as: Mathew McDonald. The correct spelling is: Matthew McDonald.

Conflict of Interest Statement: The author declares that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.

Received: 29 July 2014; accepted: 29 August 2014; published online: 18 September 2014.
