tocolysis, tocolytic, pregnant women, pregnancy stress, complementary medicine

A Corrigendum on Pregnancy-related stress among pregnant women receiving tocolytic and non-tocolytic treatments where both used complementary medicine

by Hsu, C-Y, Chen, C-L, Tsai, L-Y and Tsai, J-M (2022). *Front. Pharmacol.* 13:870659. doi: 10.3389/fphar.2022.870659

In the published article, there was an error in the Ethical Statement (IRB NO).

A correction has been made to **2.3 Rights and Ethical Considerations of the Study Subjects Name of Section**, first sentence. The corrected sentence appears below:

“This study was reviewed and approved by the Institutional Review Board of the hospital (IRB NO: CE18194A).”

A correction has been made to **Ethics Statement**, first sentence. The corrected sentence appears below:

“The studies involving human participants were reviewed and approved by the regional ethics committee of the Institutional Review Board of Taichung Veterans General Hospital, Taichung, Taiwan (IRB NO: CE18194A).”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
