## ERRORS IN SUPPLEMENTARY FIGURES 3 AND 4

In the original article, there were mistakes in **Supplementary Figures S3 and S4** as published.

In the original article, there were mistakes in the **Supplementary Figure S3 as published.**

Positive growth controls on -LW medium in the yeast two-hybrid growth assay.

Pictures of the AH109 cells co-transformed with recombinant vectors expressing proteins fused to the GAL4 Binding and Activating domains (BD and AD, respectively) were not properly selected (GIP1/TSA1-D1; GIP2/TSA1-D1; GIP1/TSA1-D4; GIP2/TSA1-D4; empty/TSA1-D1; empty/TSA1-D4; GIP1/empty; GIP2/empty).

Negative growth controls on -HLW + 3-AT medium.

Pictures of the AH109 cells co-transformed with recombinant vectors expressing proteins fused to the GAL4 Binding and Activating domains (BD and AD, respectively) were not properly selected (empty/TSA1-D1; empty/TSA1-D4; GIP1/empty; GIP2/empty; empty vectors).

Negative growth controls on -AHLW medium.

Pictures of the AH109 cells co-transformed with recombinant vectors expressing proteins fused to the GAL4 Binding and Activating domains (BD and AD, respectively) were not properly selected (empty/TSA1-D1; empty/TSA1-D4; GIP1/empty; GIP2/empty; empty vectors).

The corrected **Supplementary Figure S3** is now published.

In the original article, there were mistakes in the **Supplementary Figure S4 as published:**

Character inversion in the name of the pGBKT7 yeast two-hybrid vector

Negative control in the  $\beta$ -galactosidase filter assay.

Part of the picture showing the Y187 cells co-transformed with recombinant vectors pGAD10-GIP1 and pGBKT7 was not properly selected.

GIP1-GIP1 interaction in the  $\beta$ -galactosidase filter assay.

Part of the picture showing the Y187 cells co-transformed with recombinant vectors pGAD10-GIP1 and pGBKT7-GIP1 was not properly selected.

The corrected **Supplementary Figure S4** is now published.

The authors apologize for these errors and state that these do not change the scientific conclusions of the article in any way. The original article has been updated.
