traditional Chinese medicine, piglet, antioxidant capability, inflammation, liver

A corrigendum on

The beneficial effects of traditional Chinese medicine on antioxidative status and inflammatory cytokines expression in the liver of piglets

by Wang, X., Wang, Y., Mao, Y., Hu, A., Xu, T., Yang, Y., Wang, F., Zhou, G., Guo, X., Cao, H., and Yang, F. (2022). *Front. Vet. Sci.* 9:937745. doi: 10.3389/fvets.2022.937745

In the published article, there was an error in affiliation(s) [6]. Instead of “Agricultural Technology Extension Center, Jinxi County Agriculture and Rural Bureau, Fuzhou, China,” it should be “Jiangxi Agricultural Technology Extension Center, Nanchang, China.”

In the published article, there was an error in affiliation(s) [7]. Instead of “Animal Epidemic Prevention and Quarantine Unit, Fengcheng Agricultural and Rural Bureau, Fengcheng, China,” it should be “Agricultural Technology Extension Center, Jinxi County Agriculture and Rural Bureau, Fuzhou, China.”

In the published article, there was an error in affiliation(s) [8 (Guangbin Zhou)]. Instead of “Yichun Agriculture and Rural Affairs Bureau, Yichun, China,” it should be “Animal Epidemic Prevention and Quarantine Unit, Fengcheng Agricultural and Rural Bureau, Fengcheng, China.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
