A commentary on

Transforming growth factor β 1 inhibition protects from noise-induced hearing loss

by Murillo-Cuesta, S., Rodríguez-de la Rosa, L., Contreras, J., Celaya, A. M., Camarero, G., Rivera, T., et al. (2015). *Front. Aging Neurosci.* 7:32. doi: 10.3389/fnagi.2015.00032

Unfortunately, the second author affiliation in the originally published article was incorrectly stated as being “Centre for Biomedical Network Research (CIBER), Institute of Health Carlos III (ISCIII), Madrid, Spain.”

The correct author’s affiliation is “Centre for Biomedical Network Research on Rare Diseases (CIBERER), Institute of Health Carlos III (ISCIII), Madrid, Spain.”

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
