A Correction on

Biofertilizers enhance land-use efficiency in intercropping across crop mixtures and spatial arrangements

By Pérez-Bernal S, Sekar J, Pravathy VR, Mathimaran N, Thimmegowda MN, Bagyaraj DJ and Kahmen A (2025). *Front. Agron.* 7:1562589. doi: 10.3389/fagro.2025.1562589

Authors “Jegan Sekar, Vaiyapuri Ramalingam Pravathy” were omitted as authors in the published article. Furthermore, Jegan Sekar should be listed as an equal contributing author. The correct author list reads:

“Santiago Pérez-Bernal^{1†}, Jegan Sekar^{2†}, Vaiyapuri Ramalingam Pravathy², Natarajan Mathimaran^{1,3}, Matadadoddi Nanjundegowda Thimmegowda⁴, Davis Joseph Bagyaraj⁵, Ansgar Kahmen¹”

The citation and copyright statement have also been updated.

The **Author Contributions** statement has been corrected to read:

“SP-B: Writing – original draft, Conceptualization, Formal analysis, Investigation. JS: Writing – original draft, Data curation, Methodology, Supervision, Conceptualization, Formal analysis, Investigation. VP: Writing – original draft, Data curation, Methodology, Supervision, Conceptualization, Formal analysis, Project administration,

Investigation, Funding acquisition. NM: Conceptualization, Project administration, Writing – review & editing. MT: Project administration, Writing – review & editing. DB: Methodology, Project administration, Writing – review & editing. AK: Conceptualization, Investigation, Writing – original draft, Writing – review & editing.”

Affiliation “Microbiology lab, M. S. Swaminathan Research Foundation, Chennai, India” was omitted. This affiliation has now been added for authors Jegan Sekar and Vaiyapuri Ramalingam Pravathy.

The funders Department of Biotechnology (DBT), India, and the BIOFI project under the Indo-Swiss Collaboration in Biotechnology (ISCB) were erroneously omitted.

In the **Acknowledgements**, the authors erroneously omitted acknowledgement of the field staff and farmers who helped to set up the field trials at Bangalore and Kolli Hills.

The original version of this article has been updated.
