Kaltwasser L, Mikac U, Buško V and Hildebrandt A (2018) Corrigendum: No Robust Association between Static Markers of Testosterone and Facets of Socio-Economic Decision Making. *Front. Behav. Neurosci.* 12:32. doi: 10.3389/fnbeh.2018.00032

In the original article, we neglected to include the funder (**German Research Foundation and the Open Access Publication Fund of the University of Greifswald**) to (**Andrea Hildebrandt**). The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

The original article has been updated.

FUNDING

This work was supported by a scholarship of Studienstiftung des deutschen Volkes to LK and a grant from the German Research Foundation to AH (grant number HI 1780/2-1). We further acknowledge support for the Article Processing Charge from the German Research Foundation and the Open Access Publication Fund of the University of Greifswald.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
