A corrigendum on

Persisting *Cryptococcus* yeast species *Vishniacozyma victoriae* and *Cryptococcus neoformans* elicit unique airway inflammation in mice following repeated exposure

by Rush RE, Blackwood CB, Lemons AR, Dannemiller KC, Green BJ and Croston TL (2023) *Front. Cell. Infect. Microbiol.* 13:1067475. doi: 10.3389/fcimb.2023.1067475

Error in Author List

In the published article, there was an error in the author list, and author Karen C. Dannemiller was erroneously excluded. The corrected author list appears below.

Rachael E. Rush[1,2], Catherine B. Blackwood[2], Angela R. Lemons[2], Karen C. Dannemiller[3,4], Brett J. Green[2] and Tara L. Croston[2]*

In addition, the **Author Contributions** section has been updated:

"RR, BG, KD, and TC conceived the overall project. RR cultivated the fungal organisms with input from KD. RR, CB, and TC performed the fungal exposures. AL analyzed mucicarmine stained slides and conducted the growth curve studies. RR, CB, AL, and TC

performed euthanasia and tissue necropsy. RR performed flow cytometry panel design and analysis with assistance from CB. RR performed cytokine analyses. RR and TC wrote the manuscript with input from all the authors. All authors contributed to the article and approved the submitted version."

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
