## A Corrigendum on

### Impact of Polymer Backbone Fluorination on the Charge Generation/Recombination Patterns and Vertical Phase Segregation in Bulk Heterojunction Organic Solar Cells

by Shao, Y., Chang, Y., Zhang, S., Bi, M., Lu, S., Zhang, D., et al. (2020). *Front. Chem.* 8:144. doi: 10.3389/fchem.2020.00144

In the published article, there was an error regarding the affiliations for Yuying Chang. As well as having affiliation(s) 1, they should also have “Heilongjiang Province Key Laboratory of New Carbon-Base Functional and Superhard Material, Mudanjiang, China.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
