## A Corrigendum on

The development of microscopic imaging technology and its application in micro-and nanotechnology

by Wang Y, Zhang X, Xu J, Sun X, Zhao X, Li H, Liu Y, Tian J, Hao X, Kong X, Wang Z, Yang J and Su Y (2022). Front. Chem. 10:931169. doi: 10.3389/fchem.2022.931169

In the published article, there was an error in the **Funding** statement. One of the funders was missing. The correct **Funding** statement appears below:

"Open basic research project from the State Key Laboratory of Laser Interaction with Matter, China, No. SKLLIM2021-11; Natural Science Foundation of Shandong Province, China, No. ZR2020QA078; National Natural Science Foundation of China, No. 12005110; Institute of Scientific and Technical Information of China, No. QN 2022-03."

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
