A corrigendum on

Challenges in the treatment of late-identified untreated congenital adrenal hyperplasia due to CYP11B1 deficiency: Lessons from a developing country

by Utari A, Faradz SMH, Ediati A, Rinne T, Ariani MD, Juniarto AZ, Drop SLS, van Herwaarden AE and Claahsen-van der Grinten HL (2022) *Front. Endocrinol.* 13:1015973. doi: 10.3389/fendo.2022.1015973

In the published article, there was an error in the Acknowledgments statement. The following sentence was missing from the statement and has now been added.

“The presented work resulted from collaboration made possible through the ESPE sponsored programme “ESPE Visiting Professorship” supported by Pfizer.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
