A Correction on

Causal associations of thyroid function with inflammatory bowel disease and the mediating role of cytokines

by Wu S, Yi J and Wu B (2024). *Front. Endocrinol.* 15:1376139. doi: 10.3389/fendo.2024.1376139

In the published article, there was an error in the article title. Instead of “Casual associations of thyroid function with inflammatory bowel disease and the mediating role of cytokines”, it should be “Causal associations of thyroid function with inflammatory bowel disease and the mediating role of cytokines”.

The original article has been updated.
