## KEYWORDS

health equity, external networks, community engagement, community-based implementation, implementation science

## Correction on

[External relationships as implementation determinants in community-engaged, equity-focused COVID-19 vaccination events](#)

By Moore R, Callaghan-Koru J, Vincenzo JL, Patton S, Spear MJ, Riklon S et al. (2024). *Front Health Serv.* 4:1338622. doi: 10.3389/frhs.2024.1338622

## Funding

In the funding statement, the correct grant number for the Community Engagement Alliance (CEAL) Against COVID-19 Disparities was missing. This part of the funding statement should have read, “Support was provided by Community Engagement Alliance (CEAL) Against COVID-19 Disparities (NIH 10T2HL156812-01 and OT2HL158287)...”.

The original version of this article has been updated.
