A Corrigendum on

FB5P-seq: FACS-Based 5-Prime End Single-Cell RNA-seq for Integrative Analysis of Transcriptome and Antigen Receptor Repertoire in B and T Cells
by Attaf, N., Cervera-Marzal, I., Dong, C., Gil, L., Renand, A., Spinelli, L., et al. (2020). *Front. Immunol.* 11:216. doi: 10.3389/fimmu.2020.00216

In the original article, there was a mistake in **Table S4** as published. The sequences of some of the barcodes were incorrect and corresponded to a functional, but non optimized, version of the protocol. The corrected **Table S4** appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
