## A Corrigendum on

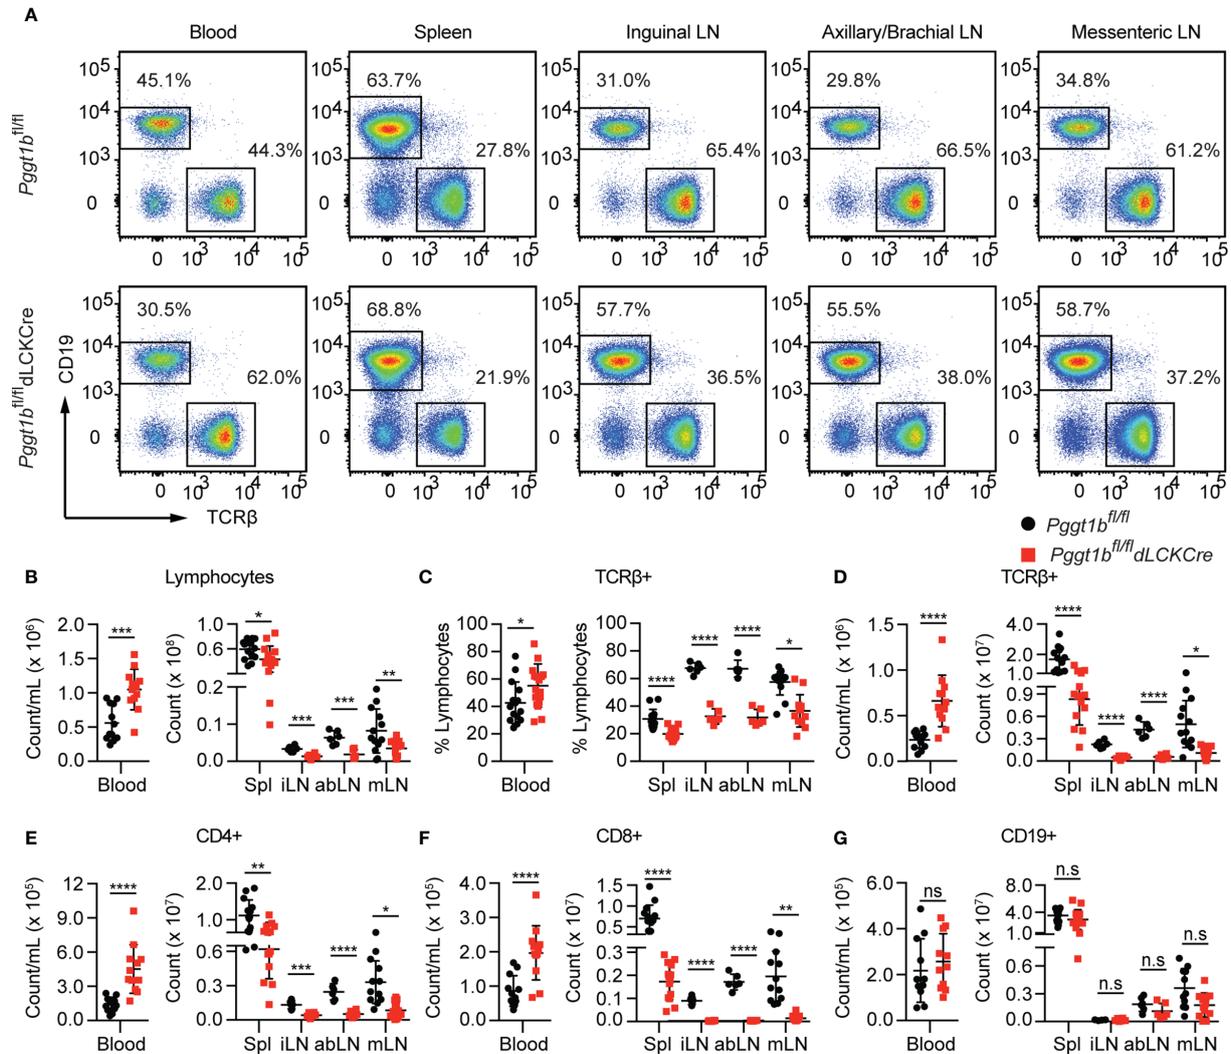

### A Requirement of Protein Geranylgeranylation for Chemokine Receptor Signaling and Th17 Cell Function in an Animal Model of Multiple Sclerosis

By G, Geng J, Park E, Ding Q, Zhou J, Walcott C, Zhang JJ, Huang H-I, Hammer GE and Wang D (2021). *Front. Immunol.* 12:641188. doi: 10.3389/fimmu.2021.641188

In the original article, there was a mistake in **Figure 2A** as published. Incorrect representative flow cytometry graphs were used owing to an error in preparing the figure. The corrected **Figure 2** appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
