monogenic familial chilblain lupus, SLE, Type I interferons, dendritic Cells (DC), LMNA, Lamin A/C, Trex1

A Corrigendum on

A novel type I interferon primed dendritic cell subpopulation in TREX1 mutant chilblain lupus patients

by Eugster A, Müller D, Gompf A, Reinhardt S, Lindner A, Ashton M, Zimmermann N, Beissert S, Bonifacio E and Günther C (2022) *Front. Immunol.* 13:897500. doi: 10.3389/fimmu.2022.897500

In the published article, there was an error in affiliations 3 and 4. Instead of “[³ Faculty of Medicine, Paul Langerhans Institute Dresden of Helmholtz Centre Munich at University Clinic Carl Gustav Carus of Technische Universität (TU) Dresden, Dresden, Germany, ⁴ Department of Dermatology, Faculty of Medicine, University Hospital Carl Gustav Carus of Technische Universität (TU) Dresden, Dresden, Germany]”, it should be as shown above.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Conflict of interest

The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
