polysaccharides, anti-tumor, tumor, immunomodulatory, immune response

A Corrigendum on

Immunomodulatory function and anti-tumor mechanism of natural polysaccharides: a review

By Ying Y and Hao W (2023) *Front. Immunol.* 14:1147641. doi: 10.3389/fimmu.2023.1147641

In the published article, there was an error in the reference list. The reference list was incorrectly revised after the in-text citations were renumbered to conform with Frontiers journal style.

The correct reference list appears below.
