## KEYWORDS

follicular regulatory T cells, follicular helper T cells, follicular lymphoma, regulatory T cells, TCR repertoire

## A Corrigendum on

### Follicular lymphoma regulatory T-cell origin and function

by Rodriguez S, Alizadeh M, Lamaison C, Saintamand A, Monvoisin C, Jean R, Deleurme L, Martin-Subero JI, Pangault C, Cogné M, Amé-Thomas P and Tarte K (2024). *Front. Immunol.* 15:1391404. doi: 10.3389/fimmu.2024.1391404

In the published article, there was an error. An acknowledgment has been forgotten. A correction has been made to the **Acknowledgments** section. This section previously stated:

“The authors are thankful to the Centre de Ressources Biologiques (CRB)-Santé (BB-0033-00056, <http://www.crbsante-rennes.com>) of Rennes Hospital for its support in the processing of biological samples, the Clinique La Sagesse and Christophe Ruaux for providing the tonsil samples, and the UMS CNRS 3480/US INSERM 018 BIOSIT for the cell sorting core facility. The authors thank Violaine Alunni from the IGBMC Microarray and Sequencing platform (Illkrich Graffestaden, France) for Affymetrix GeneChip analysis. The authors thank Birgitt Sawitzki (Charity Hospital, Berlin, Germany) for TSDR methylation assessments.”

The corrected **Acknowledgments** section appears below:

“This work was realized in the context of the LabEX IGO program (n° ANR-11-LABX-0016) funded by the «Investment into the Future» French Government program, managed by the National Research Agency (ANR). The authors are thankful to the Centre de Ressources Biologiques (CRB)-Santé (BB-0033-00056, <http://www.crbsante-rennes.com>) of Rennes Hospital for its support in the processing of biological samples, the Clinique La Sagesse and Christophe Ruaux for providing the tonsil samples, and the UMS CNRS 3480/US INSERM 018 BIOSIT for the cell sorting core facility. The authors thank Violaine

Alunni from the IGBMC Microarray and Sequencing platform (Illkirch Graffestaden, France) for Affymetrix GeneChip analysis. The authors thank Birgitt Sawitzki (Charity Hospital, Berlin, Germany) for TSDR methylation assessments.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
