## KEYWORDS

IgA nephropathy, immune cells, single-cell RNA-seq, single-cell ATAC-seq, macrophages, CD8<sup>+</sup> T cells

## A Corrigendum on

**Integrated temporal transcriptional and epigenetic single-cell analysis reveals the intrarenal immune characteristics in an early-stage model of IgA nephropathy during its acute injury**

By Xu C, Zhang Y, Zhou J, Zhang J, Dong H, Chen X, Tian Y and Wu Y (2024) *Front. Immunol.* 15:1405748. doi: 10.3389/fimmu.2024.1405748

In the published article, there was an error in the **Data availability statement**. The accession number for the scRNAseq and scATACseq data generated in this study was incorrectly displayed as “GSA: CRA024006”. The correct **Data availability statement** appears below.

“The accession number for the scRNAseq and scATACseq data generated in this study is GSA: CRA019499.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
