A Corrigendum on

Impact of Meteorological Factors and Southern Oscillation Index on Scrub Typhus Incidence in Guangzhou, Southern China, 2006–2018

by Lu, J., Liu, Y., Ma, X., Li, M., and Yang, Z. (2021). *Front. Med.* 8:667549.
doi: 10.3389/fmed.2021.667549

In the original article, there was an error. A correction has been made to **Discussion**, paragraph 9. Several Chinese words were typed in by mistake and should have been deleted. The sentence should be: “When the humidity is low, the adult chiggers stop their spawning”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
