Front. Med. 9:899310. doi: 10.3389/fmed.2022.899310 Keywords: polypoidal choroidal vasculopathy, photodynamic therapy, conbercept, non-inferiority, efficacy

### A Corrigendum on

# Efficacy of Initial vs. Delayed Photodynamic Therapy in Combination With Conbercept for Polypoidal Choroidal Vasculopathy

by Sun, Z., Gong, Y., Yang, Y., Huang, Y., Yu, S., Pei, J., Lin, B., Zhou, R., Li, Y., Li, Y., Zhang, J., and Liu, X. (2022). Front. Med. 8:791935. doi: 10.3389/fmed.2021.791935

In the published article, there was an error.

- A correction has been made to Abstract, "Conclusions:"
- This sentence previously stated:
- "However, the initial combination group was non-inferior compared with the delayed combination group in terms of the improvement of BCVA."
  - The corrected sentence appears below:
- "However, the delayed combination group was non-inferior compared with the initial combination group in terms of the improvement of BCVA."
  - In the original article, there was an error.
  - A correction has been made to **Conflict of Interest**:
  - This sentence previously stated:

"The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest."

The statement should read:

"JZ was employed by the company Bothwin Clinical Study Consultant Inc.

The remaining authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest."

The authors apologize for these errors and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
