In the published article, there was an error in the **Acknowledgments** section, page 10, paragraph 1. The correct statement appears below.

Acknowledgments

This study was financially supported by the Science and Technology Major Project of Inner Mongolia (No. ZDZX2018054), China, the National Natural Science Funds of China (31370474), and the Jiangsu Province Postdoctoral Excellence Program (2022ZB155). Special thanks also go to the three reviewers for their very useful comments and suggestions.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
