A Corrigendum on

A novel bacterium-like particles platform displaying antigens by new anchoring proteins induces efficacious immune responses

by Niu, L., Gao, M., Ren, H., De, X., Jiang, Z., Zhou, X., Liu, R., Li, H., Duan, H., Zhang, C., Wang, F., and Ge, J. (2024). *Front. Microbiol.* 15:1395837. doi: 10.3389/fmicb.2024.1395837

In the published article, there was an error in the Funding statement. One of the funding sources was inadvertently omitted from the published version. “The author(s) declare financial support was received for the research, authorship, and/or publication of this article. This research was funded by the National Key Research and Development Program of China (2022YFF0710505-2); National Natural Science Foundation of China (31672532); the SIPT Project of Northeast Agricultural University (202310224043S, X202310224172, and X202310224024).” The correct Funding statement appears below.

Funding

The author(s) declare that financial support was received for the research and/or publication of this article. This research was funded by the National Key Research and Development Program of China (2022YFF0710505-2); the earmarked fund for CARS (CARS-36); National Natural Science Foundation of China (31672532); the SIPT Project of Northeast Agricultural University (202310224043S, X202310224172, and X202310224024).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
