A corrigendum on

ToolConnect: A Functional Connectivity Toolbox for *In vitro* Networks

by Pastore, V. P., Poli, D., Godjoski, A., Martinoia, S., and Massobrio, P. (2016). *Front. Neuroinf.* 10:13. doi: 10.3389/fninf.2016.00013

In the Section “Information Sharing Statement” of our original article, the webpage of the repository where we uploaded ToolConnect software has been discontinued. For this reason, the new Information Sharing Statement Section is:

ToolConnect is available on NITRC repository (<https://www.nitrc.org/projects/toolconnect/>).

The authors state that this does not change the scientific conclusions of the article in any way.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
