#### A Corrigendum on

# Pilot Randomized Controlled Trial of an Exercise Program Requiring Minimal In-person Visits for Youth With Persistent Sport-Related Concussion

by Chrisman, S. P. D., Whitlock, K. B., Mendoza, J. A., Burton, M. S., Somers, E., Hsu, A., et al. (2019). Front. Neurol. 10:623. doi: 10.3389/fneur.2019.00623

In the original article, there was an error. In the **Methods** section, subsection **Preliminary Efficacy Outcome** the first formula was incorrectly written as:

$$HBI_{(t)} = N_{\rm BL}^{e-\lambda t}$$

This equation should read:

$$HBI(t) = Nbl^* e^{-\lambda t}$$

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
