## KEYWORDS

peripheral nerve injuries, autologous nerve transplantation, nursing care, functional impairments, rehabilitation

## A Corrigendum on

## Advancements in autologous peripheral nerve transplantation care: a review of strategies and practices to facilitate recovery

by Xu, G., Zou, X., Dong, Y., Alhaskawi, A., Zhou, H., Ezzi, S. H. A., Kota, V. G., Abdulla, M. H. A. H., Alenikova, O., Abdalbary, S. A., and Lu, H. (2024). *Front. Neurol.* 15:1330224. doi: 10.3389/fneur.2024.1330224

In the published article, there was an error in affiliation 4. Instead of “Faculty of Medicine, School of Biomedical Sciences, The Chinese University of Hong Kong, Shatin, Hong Kong SAR, China”, it should be “Department of Orthopedics, Third Xiangya Hospital, Central South University, Changsha, Hunan, China”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
