A Correction on

Consensus recommendations for the nutritional management of children with cancer in limited resource settings: a report from the International Initiative for Pediatrics and Nutrition

by Viani, K., Alves, J., Damasco-Avila, E., Murra, M. S., Schoeman, J., Walters, M., and Ladas, E. J. (2025). *Front. Nutr.* 12:1605632. doi: 10.3389/fnut.2025.1605632

In the published article, there was an error in the **Supplementary File 1, Table 1**. A column was missing to differ the nutritional classifications for overweight and obesity by age group. The correct Supplementary File 1 has been published in the original article. The original article has been updated.
