Text Correction

In the published article, there was an omission in the Acknowledgements section. The classification as part of the doctoral thesis of O. Schleicher was not integrated into the published article.

A correction has been made to **Acknowledgments**. The paragraph previously stated:

“The continuous financial support in data collection by “Sonnenstrahl e.V. Dresden - Förderkreis für krebskranke Kinder und Jugendliche” (Dresden, Germany), “Schornsteinfeger

helfen krebskranken Kindern e.V.” (Dörfles-Esbach, Germany), and the “Madeleine-Schickedanz Kinderkrebsstiftung” (Fürth, Germany) is highly acknowledged.”

The full corrected Acknowledgments appear below:
