A Corrigendum on

9-PAHSA Improves Cardiovascular Complications by Promoting Autophagic Flux and Reducing Myocardial Hypertrophy in Db/Db Mice

by Wang, Y.-M., Mi, S.-L., Jin, H., Guo, Q.-L., Yu, Z.-Y., Wang, J.-T., Zhang, X.-M., Zhang, Q., Wang, N.-N., Huang, Y.-Y., Zhou, H.-G., and Guo, J.-C. (2021). *Front. Pharmacol.* 12:754387. doi: 10.3389/fphar.2021.754387

In the published article, there was an error in affiliation 1 and 4. Instead of “¹Department of Geriatrics of Huashan Hospital, National Clinical Research Center for Aging and Medicine, Fudan University, Shanghai, China” and “⁴Department of Translational Neuroscience, Jing’an District Centre Hospital of Shanghai and State Key Laboratory of Medical Neurobiology and MOE Frontiers Center for Brain Science, Institutes of Brain Science, Fudan University, Shanghai, China,” it should be “¹Department of Geriatrics of Huashan Hospital, National Clinical Research Center for Aging and Medicine, Department of Translational Neuroscience, Jing’an District Centre Hospital of Shanghai, State Key Laboratory of Medical Neurobiology and MOE Frontiers Center for Brain Science, Fudan University, Shanghai, China.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
