## KEYWORDS

PI3K/Akt/mTOR pathway, lung cancer, PI3K inhibitors, Akt inhibitors, mTOR inhibitors, natural products, combined therapy

## A Corrigendum on

Targeting the PI3K/AKT/mTOR pathway in lung cancer: mechanisms and therapeutic targeting

by Qiang M, Chen Z, Liu H, Dong J, Gong K, Zhang X, Huo P, Zhu J, Shao Y, Ma J, Zhang B, Liu W and Tang M (2025). *Front. Pharmacol.* 16:1516583. doi: 10.3389/fphar.2025.1516583

In the published article, there was an error in the **Funding** statement. The funding statement in the article is written incorrectly as “Jilin Provincial Science and Technology Development Plan Project, 20220204115YY.” The correct statement is “Jilin Province science and technology development plan project:YDZJ202301ZYTS007”. The correct **Funding** statement appears below.

## Funding

The author(s) declare that financial support was received for the research and/or publication of this article. The study was supported by Jilin Province science and technology development plan project:YDZJ202301ZYTS007; Jilin Province Medical and Health Personnel Special Fund (JLSWSRCZX2023). The funding source provided financial support for the project but had no role in the study design, data collection, analysis, interpretation, or writing of the manuscript.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
