In the original article, there was an error in the fourth paragraph of P2, MATERIALS AND METHODS, concerning the units of the Test Beverage that the subject consumed.

The authors have made the following correction:

MATERIALS AND METHODS

Test Beverage

Error

Each subject ingested 100 mL of a beverage containing 1,000 mL of G-Hsp with 100 mL of mineral water.

Correct

Each subject ingested 100 mL of a beverage containing 1,000 mg of G-Hsp with 100 mL of mineral water.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
