Keywords: myocardium, cardiac metabolism, energy substrate, lactate, lactate shuttle theory, myocardial ischemia, heart failure, diabetic cardiomyopathy

A Corrigendum on

Lactate and Myocardial Energy Metabolism

by Dong S, Qian L, Cheng Z, Chen C, Wang K, Hu S, Zhang X and Wu T (2021). *Front. Physiol.* 12: 715081. doi: 10.3389/fphys.2021.715081

In the published article, there was an error in the article title. Instead of “Lactate and Myocardial Energy Metabolism”, it should be “Lactate and Myocardial Energy Metabolism”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
