by Lin Q, Yu D, Zhang Y, Chen X, Qin J and Wu F (2025). *Front. Physiol.* 16:1524480. doi: 10.3389/fphys.2025.1524480

In the published article, there was an error in the **Funding** statement. The **Funding** statement was incorrectly written as “This study was supported by the Natural Science Foundation of Fujian Province (2021J01391), the Youth Talent Training

Project of Fujian Provincial Health Commission (2020GGA001) and Joint Funds for the Innovation of Science and Technology, Fujian Province (Grant number: 2024Y9025).” The correct Funding statement appears below.

Funding

The author(s) declare that financial support was received for the research and/or publication of this article. This study was supported by the Natural Science Foundation of Fujian Province (2021J01391), the Youth Talent Training Project of Fujian Provincial Health Commission (2020GGA001) and Joint Funds for the Innovation of Science and Technology, Fujian Province (Grant number: 2024Y9052).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
