A corrigendum on

Building a Genetic Manipulation Tool Box for Orchid Biology: Identification of Constitutive Promoters and Application of CRISPR/Cas9 in the Orchid, *Dendrobium officinale*

by Kui, L., Chen, H., Zhang, W., He, S., Xiong, Z., Zhang, Y., et al. (2017). *Front. Plant Sci.* 7:2036. doi: 10.3389/fpls.2016.02036

Addition of Affiliation

In the published article, there was an error regarding the affiliation for Ling Kui. As well as having Affiliation 1, they should also have Kunming College of Life Science, University of Chinese Academy of Sciences, Kunming, China. The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

Missing Funding

In the original article, we neglected to include the funder Guizhou Academy of Tobacco Science (Project “The genome and transcriptome analysis of various plants in *Nicotiana*.”),

Y205941151 to WW. The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.

Conflict of Interest Statement: The authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
