KEYWORDS

Distylium racemosum, mitochondrial genome, phylogenetic analysis, RNA editing events, comparative analysis

A Correction on

De novo assembly and comparative analysis of the first complete mitogenome in *Distylium* (*Distylium racemosum*)

by Wang Y, Zhang Z, Chen X, Li H, Ma C and Guo P (2025). *Front. Plant Sci.* 16:1586341.
doi: 10.3389/fpls.2025.1586341

In the published article, there was an error in the **Funding** statement. The original funding text: “The author(s) declare that financial support was received for the research and/or publication of this article. The work is supported by the Northwest Minzu University Talent Introduction Project (Z2101707), the Science and Technology Department of Gansu Province.” The correct **Funding** statement appears below.

“The author(s) declare that financial support was received for the research and/or publication of this article. The work is supported by the Northwest Minzu University Talent Introduction Project (Z2101707), the Science and Technology Department of Gansu Province (23CXNA0045), the 2023 Central University Project (31920230027), and the Lanzhou Science and Technology Bureau (2023-RC-47).”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
