A Corrigendum on

Bad Choices Make Good Stories: The Impaired Decision-Making Process and Skin Conductance Response in Subjects With Smartphone Addiction

by Khoury JM, Couto LFSC, Santos DdA, e Silva VHO, Drumond JPS, Silva LLdC, Malloy-Diniz L, Albuquerque MR, das Neves MCL and Duarte Garcia F (2019). *Front. Psychiatry* 10:73. doi: 10.3389/fpsy.2019.00073

In the published article, there was an error in affiliations 1, 3, 4, and 5.

As required by our institution, “UFMG” should appear in the author affiliations. Instead of the following: “¹Department of Mental Health, Federal University of Minas Gerais, Belo Horizonte, Brazil,” “³Post-Graduation Program in Molecular Medicine, School of Medicine, Federal University of Minas Gerais, Belo Horizonte, Brazil,” “⁴Department of Sports, Federal University of Minas Gerais, Belo Horizonte, Brazil,” and “⁵INCT of Molecular Medicine, Federal University of Minas Gerais, Belo Horizonte, Brazil” the affiliations should read as follows: “¹Department of Mental

Health, Universidade Federal de Minas Gerais–UFMG (Federal University of Minas Gerais), Belo Horizonte, Brazil,”³Post-Graduation Program in Molecular Medicine (Pós-Graduação em Medicina Molecular), School of Medicine, Universidade Federal de Minas Gerais–UFMG (Federal University of Minas Gerais), Belo Horizonte, Brazil,”⁴Department of Sports, Universidade Federal de Minas Gerais–UFMG (Federal University of Minas Gerais), Belo Horizonte, Brazil,” and⁵INCT of Molecular Medicine, Universidade Federal de Minas Gerais–UFMG (Federal University of Minas Gerais), Belo Horizonte, Brazil.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
