## A Corrigendum on

### Isobaric Tags for Relative and Absolute Quantitation Identification of Blood Proteins Relevant to Paroxetine Response in Patients With Major Depressive Disorder

by Lin, C-C., Su, H., Shiea, J., and Huang, T-L. (2022). *Front. Psychiatry* 13:577857. doi: 10.3389/fpsy.2022.577857

In the original article, there was an error. A typo was present in the IRB number. A correction has been made to **Materials and Methods**, “**Study Samples**,” paragraph one.

“The institutional review board (IRB) of Chang Gung Memorial Hospital approved the study design (IRB number 201501596B0)” has been corrected to “The institutional review board (IRB) of Chang Gung Memorial Hospital approved the study design (IRB number 201601596B0).”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
