neuromodulation, deep brain stimulation, tractography, mood disorders, treatment resistant depression, obsessive compulsive disorder

A corrigendum on

[Deep brain stimulation neuromodulation for the treatment of mood disorders: obsessive compulsive disorder and treatment resistant depression](#)

by Marquez-Franco, R., Carrillo-Ruiz, J. D., Velasco, A. L., and Velasco, F. (2022). *Front. Psychiatry* 12:764776. doi: 10.3389/fpsy.2021.764776

In the published article, there was an error in the **Funding** statement.

The previous statement was: "RM-F received fellowship 939081 from the National Council of Science and Technology, Mexico (Consejo Nacional de Ciencia y Tecnología, CONACYT)."

The correct **Funding** statement appears below:

Funding

RM-F is a doctoral student from the Programa de Doctorado en Ciencias Biomédicas, Universidad Nacional Autónoma de México (UNAM) and has received from the Consejo Nacional de Humanidades, Ciencias y Tecnologías (CONAHCYT) the fellowship number 939081.

In the published article, there was an error in the **Acknowledgments** statement. The previous statement was: The assistance provided by Dr. Luis Concha was greatly appreciated. He offered valuable data and support in the analysis of the probabilistic tractography figure. The comments given by independent reviewers: Dr. Irma Corlay and Dr. Eduardo Garza, were greatly valued and served as a solid background of the psychiatric view point.

The correct **Acknowledgments** statement appears below:

Acknowledgments

The assistance provided by Dr. Luis Concha was greatly appreciated. He offered valuable data and support in the analysis of the probabilistic tractography figure. The comments given by independent reviewers: Dr. Irma Corlay and Dr. Eduardo Garza, were greatly valued and served as a solid background of the psychiatric view point. We would like to thank the Programa de Doctorado en Ciencias Biomédicas, Universidad Nacional Autónoma de México (UNAM), and the Consejo Nacional de Humanidades, Ciencias y Tecnologías (CONAHCYT), for their support of RM-F during his PhD.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
