digital therapeutic intervention, alcohol use disorder, cognitive behavioral therapy  
(CBT), digital therapeutic CBT, addiction treatment

## A Correction on

[The effects of cognitive behavioral therapy-based digital therapeutic  
intervention on patients with alcohol use disorder](#)

By Lim S-H, Shin J-K, Ahn ME, Lee C-h and Lee S-K (2025) *Front. Psychiatry* 16:1486338.  
doi: 10.3389/fpsy.2025.1486338

In the published article, there was an error in the **Funding** statement. This statement previously said:

“The author(s) declare that financial support was received for the research and/or publication of this article. This research was supported in 2023 by the Korea Institute for Advancement of Technology (KIAT) and the Korea Health Industry Development Institute (KHIDI) (Project Nos. K\_G012002295903, RS-2022-KH12584522182102840201).”

The corrected statement appears below:

“The author(s) declare that financial support was received for the research and/or publication of this article. This work was supported by the Technology Innovation Program (or Industrial Strategic Technology Development Program-Advanced Technology Center plus) (20222959, Development of a digital treatment device equipped with digital cognitive behavioral therapy (CBT) to improve alcohol use disorder) funded By the Ministry of Trade Industry & Energy(MOTIE, Korea); in addition, this work was supported by a grant of the Korea Health Technology R&D Project through the Korea Health Industry Development Institute (KHIDI), funded by the Ministry of Health & Welfare, Republic of Korea (grant number: HI22C0707, RS-2022-KH125845).”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
