In the published article, there was an error in the **Funding** statement. The organization “Biobizkaia Health Research Institute – OSI Bilbao Basurto Research Commission” was incorrectly named. The **Funding** statement originally read:

“The author(s) declare that financial support was received for the research and/or publication of this article. PFP is supported by #NEXTGENERATIONEU (NGEU), funded by the Ministry of University and Research (MUR), National Recovery and Resilience Plan

(NRRP), project MNESYS (PE0000006)—A multiscale integrated approach to the study of the nervous system in health and disease (DN. 1553 11.10.2022). This research received funding from the OSI Bilbao Basurto Research Commission for publication fees.”

This has been corrected to read:
